Rely on the environmental leadership of HP. Original HP LaserJet toner cartridges with enhanced toner can help you save energy[1] and are designed with the environment in mind. Recycle Original HP cartridges responsibly, using HP Planet Partners[2].

[1] Energy savings calculation is based on HP's black-and-white LaserJet printers comparing the energy-efficient toner in the most recent printer within a class to its legacy printer with conventional toner. The stated energy consumption, during printing, is divided by the printer's pages per minute. Actual savings may vary.
[2] Program availability varies. Original HP cartridge return and recycling is currently available in more than 50 countries, territories and regions in Asia, Europe and North and South America through the HP Planet Partners program. For more information, visit http://www.hp.com/recycle.
